BRIEF ABSTRACT OF LETTER

Reports that a total sum of Rs 36000 is available at the credit of these charities, and suggests proposals for utilizing the amounts for perpetuating the charities in some other form—

NOTES AND ORDERS.

The M C's letter explains the facts of the case fully.

The M. C. makes the following proposals for utilizing the amounts—

(1) Rao. Brahman chattram at Tirupati—

For construction of a chattram building at Tirupati, orders have been issued directing an annual saving of Rs 1500/- out of the feeding allotment of Tirupati. The M. C. reports that a small building at Tirupati will cost nothing less than Rs 15000/-, that it will take at least 10 years before the construction is undertaken and recommends that a sum of Rs 10,000 may be made available from the Rao Krishna Doss charity savings for the construction of a non-Brahman chattram, and a further advance of Rs 10,000/- made by Govt as against savings to be effected and steps taken to start a building which may be named after Rao Krishna Doss (iii) It will be seen from Mur. no. 46-24 that there was an idea of constructing a chattram building at Tirumakodlu, but as the cost was prohibitive, it was given up (vide letter No. 1551 dy 8/3/28).

The M. C. is now of opinion that a sum of Rs 10,000 may be utilized

It is doubtful if this work could not have been done by a misunderstanding on the part of the Executive Officer and the Chairman [illegible]

out of the balance of the charity funds with another grant of Rs 10,000 from the chathram Savings funds and a new chathram constructed at Tanasipuram at a cost not exceeding ~~Rs~~ 25,000, the balance of Rs 5000 being contributed from the funds of Sri Agastheswara Swamy temple which has a saving of ~~Rs~~ 8000/ at its credit,

(iii) A grant of ~~Rs~~ 10,000 from the Rao C Krishna Doss charities and Rs 10,000 from the chathram Savings funds for the construction of a chathram at Mysore for the accommodation of middle classes, provided Govt or Dist Board will make a contribution of at least an equal amount.

The Dist Bd may be called upon to contribute under Sec 45 (C) of the Act & Rule 88

6 The general question relative to the diversion of the main and cash grants of defunct institutions, to other similar objects of charity subject to limitations, is now engaging the attention of Govt. In the present case, as pointed out by the M.C., the limitation

17 Copies of Sannad and Danasasana dt 1823. have been received. The purport of the Sannad is given in col. 11 of the Inam register pertaining to Turuganur Sarvamanya Village

18 The original inam registers re 2 inam villages of Turuganur and Basavanahalli, have been received from the Inam Supdt., and are flagged. These villages were settled as "Personal inams" and were intended to be enjoyed hereditarily by the grantee on inam tenure for the support of Agrahar, temples and chatram constructed by the late Nowl Krishna Doss. A perusal of the ~~orgs~~ Sannad seems to show that the inam grant was intended exclusively for the benefit of the Brahmans.

19 The Comptr has reported that the institn had a credit balance of ~~Rs~~ 12,048 and odd at the end of June 1928, and that office has no information as to whether there have been any demands on the available balance (vide 6)

25) These five files relate to the utilisation of the funds at the credit of the Nowl Krishnadas Charities at Paschimavahini.

26) The Muzrai Commissioner's proposals for consideration and orders are the following:-

(1) The Government Order of 22nd September 1926 cancelling the inam tenure of the villages of Turuganur and Basavanahalli in the T.Narsipur taluk originally endowed to Nowl Krishnadas Charities may be modified and the said two villages may be treated as Devadaya inams so that the income accruing therefrom may be available for charitable purposes.

(2) The amount at the credit of the charities consisting of the following items

(i) cash in treasury (at end of June 1928)	Rs 12,048-15-2
(ii) 6¼ per cent bonds.	Rs 20,000-0 -0
(iii) loan to the Sri Sivaganga Mutt.	Rs 3,650-0 -0

may be appropriated as follows:-

(i) Contribution for the construction of a chattram for accommodation of Non-brahmins at Thirupathi.	Rs 10,000-0-0
(ii) Contribution for the construction of a chattram at Thirumkudlu.	Rs 10,000-0-0
(iii) Contribution for the construction of a chattram for the convenience of visitors during Dasara and Birthday festivities at Mysore.	Rs 10,000-0-0
(iv) Rs 7,600/- (being the remaining cash balance plus premium on the 6¼ per cent bonds) to be earmarked for the benefit of the endowed temples of Paschimavahini which require funds for	Rs 7,600-0-0

urgent repairs and also for increasing the pay of the staff etc.

7) For a full history of the Nowl Krishnadas Charities reference is invited to the memorandum prepared by Mr. Mrutyunjaya Iyer on 6th November 1898. Copies of the Sannad granted to the late Nowl Krishnadas and of the Danasasana executed by him to the vrittidars furnished by the Muzrai Commissioner and the Inam Register sent by the Survey Superintendent which are in the file may also be perused. Briefly stated, the position is as follows.-

8) The income of the two inam villages granted to Nowl Krishnadas was originally appropriated by him in the form of 18 vrittis for the benefit of 3 charities established by him at Paschimavahini viz., an agrahar for brahmins, 3 temples and a chattram. The inam was confered on the grantee's family free under rule 8 subject to the utilisation of the income for charitable purposes as indicated in the Inam Commissioner's order. (flag S

9) As the object of the grant had failed, the inams were resumed to Government in 1864 but subsequently on the representation of the vrittidars against resumption Government agreed to consider favourably the question of restoring to them the vrittis or their equivalents after they built their agrahar houses in a locality approved by the Deputy Commissioner and otherwise conformed to the conditions of the original grant. Of the 12 vrittidars only 2 were considered deserving of the concession and they were given a cash grant of Rs 72/- each in lieu of the restoration

of vritti and the cases of the rest were finally rejected in the order of 17th April 1926.(flag J

30) As regards the temples which are still functioning and where puja is being conducted cash grants in lieu of vrittis have been sanctioned.

31) The chattram established by the founder has ceased to exist, the building being otherwise disposed of and the equivalent of the vritti attached to that institution has accordingly remained unappropriated.

32) As regards the Muzrai Commissioner's first proposal I have to point out that the cancellation of the inam tenure was a natural sequence of the order of resumption of these inam villages and it was effected mainly for facilitating the collection of Land Revenue and administration in these villages. The resumption was sanctioned more than 34 years ago for reasons specified in para 3 of the Government Order of 15th July 1894. (flag M1.) In ordering the resumption it was not the intention of Government to abolish the charities altogether and a specific declaration was made that a reasonable grant from the general revenues of the State would be made for the restoration and maintenance of the chattram and temple as Government Muzrai Institutions. There has been no departure from the principles laid down in that order. The cases regarding the vrittidars having been finally disposed of in the order of 17th April 1926, the Deputy Commissioner's

NOTE—Contn. sheet

recommendation (which was supported by the Revenue Commissioner) for cancelling the inam tenure of these two villages by providing for payment of cash grants from State Funds was rightly accepted by Government. In the circumstances, I do not think it is desirable to reopen this question and to treat the said two villages as Devadaya inam as suggested by the Muzrai Commissioner.

33. As regards the appropriation of the balance at the credit of the charities it is only reasonable that the demands of the institutions established by the founder at Paschimavahini should be first satisfied. The endowed temples are reported to require urgent repairs costing a minimum of Rs 5,000/- A proper estimate may be got prepared in the Public Works Department. The pay of the staff is low and requires to be enhanced owing to the costliness of living. The annual cash grant to 2 temples is Rs 108/- each and to the third Rs 18/- only. More money is evidently required for the better management of these institutions, and proposals for a revision of the scale may be called for.

34. The Muzrai Commissioner's recommendation for the appropriation of the amounts at the credit of the charities is mainly based on the considerations that the funds are lying idle and that the name of the founder should be perpetuated in some form. The villages were granted as inam to the founder for the maintenance of certain charitable institutions at Paschimavahini. Some of the charities continue to exist there and

NOTE—Contn. sheet

WD 1214—GPB—500—21-10-28

Serial No.

money is required for their development. In the circumstances it cannot be held that the institutions for the benefit of which the inam was originally granted are all defunct and that the funds are available for other charitable purposes under the "Cypress Doctrine".

35 While there may be no objection to utilise any portion of the funds for charities of "Local usefulness" in accordance with the declared intention of Government, (vide para 4 of flag M1) it may not be desirable to divert the amounts at credit of the charities elsewhere. In the recent order explaining the policy of Government in regard to the appropriation of cash and land inams of defunct muzrai institutions one of the instructions to be followed is that " the resumed inams may be granted to institutions which belong to the same religion as the old institions from which they were resumed and which are in the same district, preference, however, being given wherever possible to institutions in the same taluk.

36 According to the Muzrai Commissioner's proposals, a sum of Rs 30,000/- has to be appropriated ~~equally~~ in equal shares of Rs 10000 each for the construction of 3 chattrams one at Thirupathi, one at Mysore and one at Thirumludlu. The cost of the first is estimate at Rs 20,000/-, of the second at Rs 30,000/- and of the third at Rs 45,000 to Rs 75,000/-

37 Toward. the construction of the chattram at Thirupathi, a further advance of Rs 10,000/- has to be made by Government. For the chattram building at Mysore a contribution of Rs 6,000/- has been promised by Mr. Amble Anriah Pandit,

NOTE—Contn. sheet

WD 1214—GPB—500—21-10-28

Serial No.

How the balance of Rs 14,000/- has to be provided for has to be settled.

38) The Muzrai Commissioner suggests that a sum of Rs 10,000/- may be contributed by the Chattram Savings Fund, Government or the District Board providing an equal amount.

39) Regarding the building at Thirukkudlu there is only a sum of Rs 8,000/- at the credit of the Sri Agasteswara Swami Temple of which Rs 5,000/- is proposed to be made available for the construction of the chattram. The Muzrai Commissioner suggests a grant of Rs 10,000/- from the Chattram savings fund, the total cost of the building being kept within Rs 25,000/-

40) According to these proposals none of the buildings can be constructed by the contribution from the Charity Funds alone. Ways and means for the balance of funds have to be first settled.

The Muzrai Commissioner has no objection to his proposals regarding the chattram buildings at Mysore and Thirukkudlu being deferred but he requests urgent orders about the construction of the chattram at Thirupathi and as regards this proposal, the utilisation of the Nowl Krishnadas Charity Funds seems to be inappropriate for reasons stated above.

Statement.

File No.	File Heading	Proposal of the Muzrai Commissioner.
I & III 179-28. D.No. 1038	(a) Utilization of the savings at the credit of Nowl Krishnadas Charities of Seringapatam. (b) Restoration of the resumed villages of Turuganur and Basavanahalli to the Charities.	The Muz. Commr. proposes that the savings may be utilised as follows:- (1) Rs. 10,000 for the construction of a Non-Brahmin Chatram at Tirumathi and to name it after Nowl Krishnadoss. Further advance of Rs. 10,000/- by Government against savings to accrue. (2) Rs. 10,000 for a chattram building at Tirumakudlu with a further grant of Rs. 10,000 from Chattram Savings Fund and Rs. 5,000 from Agasteswaraswami Temple Fund (3) Rs. 10,000 for a chattram building at Mysore for the accommodation of Middle classes with Rs. 10,000 from Chattram Savings Fund and a like contribution by Govt. or District Board. The Muz. Commr. has made the above proposals and doubts the order of Government directing the resumption of the Inam villages made in 1894 inasmuch as he considers that no fault had been committed by the donor. He wants that the order of resumption may be reconsidered and the income from these villages which is now absorbed in the Land Revenue may be made available with the funds now existing for the above charitable purposes. The question for consideration is whether the order of Govt. could be reconsidered now and the Revenue income of the villages in future can be made available. As required by the Member in para. 10 of the Notes copies of Sannad and Danasasana relating to the grant have been received. During the Inam Settlement the endowed villages of Turuganur and Basavanahalli were settled as "Personal Inams" and were intended to be enjoyed hereditarily on Inam tenure by the grantee for the support of Agrahar, temples and Chattram constructed by the late Nowl Krishnadoss. This is a charitable grant and Brahmins and chattram and Devastanam had to receive cash grant and no land was assigned to them. This had to be managed by the grantee and his descendents but on account of the failure of the grantee to do so, Govt. have directed the resumption of the villages. Vide G.O. of 1894. In the file relating to the order of September 1926 the villages were considered as Devadaya vide also order of April 1926. There seems to be no authority for this. The resumption tooks place long ago it is only the Inam Dewasthanam were Cancelled in Sept'1926. In the order of 1894 it was stated that with regard a Kaimath grant from General revenues for the Mysore Asthan, for the time

necessary to reconsider the same at this distance of time. As regards paras. 11 and 12 of the Member's Minute the Comptroller who was written to in the matter has reported that the institution had a credit balance of Rs. 12,048 and odd at the end of June 1928 besides a sum of Rs. 3650/- lent to Sri Sivaganga Matt and Rs. 20,000 invested in 6¼% loan bonds and there is no information as to whether there has been any demand on the available resources. It is reported that services are being conducted in the three temples of Paschimavahini in addition to the payment of annuity to the two Vrittidars and the claims of other Vrittidars have been rejected. It is also reported that the temples need repairs to an extent of Rs. 5,000/- and there will be money sufficient to meet this and any other claims that may be preferred hereafter after meeting present proposals. It is for consideration whether as proposed by the Muz. Commr. the accumulated savings of these charities can be so disposed of. For the construction of the building at Tirupathi for the use of non-Brahmin travellers orders have been issued for saving Rs. 1,500 a year out of "Thiruvathi Chattram Feeding expenses. But the Muz. Commr. thinks that" the matter is urgent and his present proposals may be sanctioned." It may not be proper to style the Charities at Tirupati after Nowl Krishnadoss as they will be misinterpretted and will not be in conformity with the intention of Government to provide themselves with buildings at the place for non-Brahmin pilgrims.

II 179-28
D.No. 957.

Construction of a Choultry in the Mysore City for the use of the visitors during the Dasara, Birthday and other festive occasions.

Plan and estimate have been sent up for a building costing about Rs. 30,000/-. Mr. Anniah Pandit has made an offer of Rs. 6,000/- and as for the balance of Rs.24,000 a sum of Rs. 10,000/- is proposed to be given from Nowl Krishnadoss Charity Savings and the Member has minuted that the chattram Savings Fund has been fully used otherwise and it is not therefore possible to spare any money from this source for the purpose. Mr. Pandit's offer may be accepted and the balance may be met from the Charities so far as its fund will permit and the rest contributed by Government and Municipality.

The question as to how much could be spared out of Krishnadoss Charities has now to be decided. If the utilisation of the amount at the credit of this charity is decided upon, then Rs. 10,000 may be allotted for this as recommended by the Muzrai Commr.

42) I do not think it is necessary to re-open the question of resumption of these two villages and continue to treat them as Devadaya Inams.

43) As observed by the Financial Secretary, the temples at Paschimavanini which form part of the charities for which this endowment is intended, have the first claim on the available balances of the fund and a sufficient amount may be set aside for their improvement. Of the amount of Rs 35,700 reported to be to the credit of these charities, a sum of Rs 3,650 has been lent to the Sivaganga Mutt and there is no early prospect of its recovery. Of the balance a sum of about Rs 12,000 may, I think, be reserved for improving the condition of the temples which are the beneficiaries of the endowment and proposals for improving them called for.

44) The balance of Rs 20,000 may, I think, be made use of for making contributions for the construction of Chattrams at one or more of the three places - Mysore, Tirumukudlu and Tirupathi - proposed by the Muzrai Commissioner. As pointed out by the Financial Secretary, a contribution of Rs 10,000 out of this amount would cove only a part of the estimated cost of the building at either of these places. If the balance of cost can otherwise be found, this contribution might be given and the construction of the building authorised.

Dear Mr.Krishna Rao,

You may be aware that the Nowl Krishnadas Charities which were primarily intended for the maintenance of some Temples, Chattram and Agrahar at Pas[illegible]chimavahini have practically ceased to exist and Government have sanctioned the resumption of the Inam villages of Turuganoor and Basavanahalli in T.Narasipur taluk which were granted as Sarvamanyam for the benefit of the charities in the year 1820. They have further directed that certain allowances due to persons, who have built houses in the Agrahar and temples should be paid from State Funds, provision being made in the State Budget (vide Government Order No.1077-2/31-6-1 dated 29th April 1926 and Government Order No.1564-5/Mus.202-27-2 dated 14th March 1928. I have my own doubts whether Government are justified in resuming these villages altogether as the charitable institutions have not failed through any default or the part of the donor; and if possible, the position may be reconsidered and the income from these villages which is now absorbed in the Land Revenue Collections may be made available for other charitable purposes. This is however, a matter which I do not wish to press at the present occasion, as I find that the Charities have other funds to their credit, which it is necessary for us to find some immediate use for, ~~them~~ so as to give effect to the intentions of the donor in the present altered circumstances.

According to the accounts available in our Office, I find that these charities have to their credit Rs 15427-15-4 in cash, out of which Rs 3650-0-0 has been lent to the Sri Sivaganga Mutha and Rs 20,000 in 6½ per cent loan bonds, at the end of 1927-28 or we have in round figures Rs 76,000 in cash. I do not consider it desirable to allow these amounts to remain idle and it is necessary

P.T.O.

therefore to devise some method for perpetuating the charities in some other form. The necessity for a separate building for accommodation to non-Brahmin pilgrims of the well-to-do classes from the State to Tirupathi has been repeatedly urged and Government have in their Order No. 334-5/Muz.194-27-2 dated 14th August 1928 approved of the construction of a building for the purpose but have directed that the amount required should be provided out of the Savings to effected by a reduction of expenditure under certain items for which an annual allotment of Rs 20,000 is now made. I have been able to effect a reduction of Rs 1500 per annum, but as even a small building at Tirupathi will cost nothing less than Rs 15,000 at this rate it will take at least 10 years before we are able to undertake the construction of the building and the agitation in regard to unfair treatment will increase in intensity by not being able to comply with the public representation in this respect. I beg therefore, to recommend that a sum of Rs 10,000 may be made available out of the amount that we have at the credit of Nowl Krishnadas Charities for the construction of a Chattram for Non-brahmins at Tirupathi and a further advance of Rs 10,000 made by Government as against savings effected and steps be taken immediately to start a building. This building may be named after Nowl Krishnadas.

In regard to the balance. I make the following suggestions for utilising it for some suitable charitable purposes within the State. Tirumakudlu in the T.Narasipur taluk is a place of great pilgrimage and a great deal of difficulty is felt by the devotees that frequent that place as there is no accommodation. The Dewan during his inspection of T.Narasipur has suggested the construction of a Chattram and two estimates costing respectively Rs 75,000 and Rs 45,000 have been prepared under the instructions of Mr.Krumbiegal. Having regard to the very heavy cost of these estimates, I have in my letter No.C. 328-24-5 dated 15th February 1928, suggested that the matter might be dropped. The Sri Arulthaleswaraswami temple has

at its credit Rs 8,000 and is obviously not in a position to provide funds at any future time for such a building. It was once sugested that some contributions may be made for this building from the funds ~~to~~ at the credit of Tirumakudlu and Mandya chattrams the balance of the estimated cost being met from the Savings ~~of~~ effected by the abolition of other chattrams and Rest-houses. The funds originally to the credit of Tirumakudlu and Mandya chattrams have all been carried forward to the Chattram Savings fund and these accumulations now yield a substantial income by way of interest on investments etc.,. I am of opinion that a sum of Rs 10,000 may be utilised out of the Nowl Krishnadas Charities with another grant of Rs 10,000 from the Chattram Savings fund and a Chattram constructed at T.Narasipur at a cost not exceeding Rs 25,000, the balance of Rs 5000 being contributed from the funds of the Agastheswaraswami temple. This may also be named after the donor. There will be still remaining another Rs 15,000 to the credit of this fund. Though the Purnaiya's Chattram at Mysore provides food and accommodation for the poorer classes of Brahmins yet other classes of people are put to great difficulty for want of accommodation during the Birthday, Dasara and other festive occasions. As exhibition of loyalty to our Sovereign is a primary religious duty I am of opinion that using these funds for such accommodation does not involve much departure from the intentions of the founder. I am therefore prepared to support the grant of Rs 10,000 from the Nowl Krishnadas Charities and Rs 10,000 from the chattram Savings fund for the construction of a chattram at Mysore for the accommodation of the middle classes, provided Government or the District Board will make a contribution of at least an equal amount.

If Government sanction my proposals these will be a fitting way of commemorating the name of the person in whose name the original charities were founded though the original institutions have ceased

to exist. If Government wants some time to pass orders on the two last proposals, I beg that steps may be taken immediately for sanctioning the construction of Chattram at Tirupathi ~~immediately~~.

Yours sincerely,

P. Ramaswamy

SIR,

With reference to correspondence ending with your letter No. 990/Muz.179-28-2 dated 26rd November 1928 re utilization of the --- accumulated savings at the credit of the Nowl Krishna Doss charities at Seringapatam, I have the honor to forward herewith copy of letter No.H.44/A.C.dated 19th December 1928 from the Deputy Commissioner, Mysore District, submitting copies of the Sannad granted by H.H.the late Maharaja of Sri Krishnaraja Wadeyar Bahadur, III, and the ---- Danasasana executed by Nowl Krishna Doss on 9th November 1823 and -- stating that the latter is only a copy of a copy furnished by one - of the vrittidars. An original of this found in one of the old - files of this office is enclosed for perusal.

2. As regards the connected institutions, services are being - conducted in the three temples at Paschimavahini in addition to the payment of annuity to the two vrittidars who have built agrahar -- houses at Seringapatam and have tenanted them. Provision in respect of the above is being made annually in the state budget under orders of Government already passed. The claims of the remaining 10 ----- vittidars have been finally rejected in your letter No.1061/Muz.64-8 dated 29th December 1927.

3. The Deputy Commissioner states that the temples need repairs and that a sum of Rs.5000/- will be required. Excluding the sum of Rs.3650-0-0 lent but to the Sri Sivaganga Matha, a sum of Rs.12176-5-2

Letter No.H.44/A.C. dated 19th December 1928 from the Deputy Commissioner, Mysore District to the Muzrai Commissioner in Mysore.

Subject:- Nowl Krishnadoss Charities-Paschimavahini-copy of - sannad and Danashasana.

With reference to your memo No.884/22-23 dated 28th November 1928 regarding the utilization of the amount available at the credit of the Nowl Krishnadoss Charities, I have the honor to submit herewith a copy of the original Sannad and the Danashasana executed by the -- donor and received from the Amildar of Seringapatam Taluk. On a search made in this office records, a similar copy of the sannad is found and no copy of the Danashasana is forthcoming either in this office or the Taluk office. The copy of the Danashasana submitted by the Amildar - is only a copy of a copy furnished by one of the Vrittidars.

As per Government order No.Fl.825-6-31-94 dated 11th August 1904 the authorised annual expenditure from the funds of the charities towards the pay and padithara of the marginally noted institutions has to be met. Besides, out of the claims of vrittidars only those of Sumathi Anantachar and Sahasraramada Lakshminarasimhachar have been recognised by Government as per G.O.No.1317-21/Muz.264-22-9 dated 17th April 1926 commuting the vritti allowance into an annual grant of Rs.72/- each, and the claims of other Vrittidars, who did not build houses for some reason or other within the time stipulated by -- Government, is also opened for kind consideration of Government (vide this office letter No.H.44/A.C. dated 1st November 1927.) All these claims when recognized are legitimate charges on the funds of the --- charities.

1. Sri Rama Devaru	108/-
2. " Pattabhirama	108/-
3. " Anjaneya	18/-
4. Chattram (no feeding)	

3. As regards the condition of the temples at Paschimavahini, the Amildar reports that the marginally noted institutions are in need of urgent repairs and their surroundings which are not enclosed by compound walls are very dirty and even on a rough estimate the repairs will cost a mirimum of Rs.5000/-, the pay of the staff of the -- temples requires to be revised by giving suitable increases having -- regard to the costliness of living in these days of high prices of -- articles.

1. Sri Anjaneya
2. Sri Ramadevaru
3. Parvathavardhini.
4. Rameswara.

4. As all the items stated above are additional charges to be met from the funds of the charity, the question of utilization of funds --

Order No. 2158-63/Inam 179-28-10

6-4-29

The income of the two inam villages of Turuganoor and Basavanhalli granted to Nowl Krishna Doss was originally appropriated by him in the form of 18 vrittis for the benefit of 3 charities established by him at Paschimavahini viz., an Agrahar for Brahmans, 3 temples and a Chattram. As the object of the grant had failed, the inams were resumed to Government in 1894, but subsequently on the representation of the vrittidars against resumption, Government agreed to consider favourably the question of restoring to them the vrittis or their equivalents after they built their Agrahar houses in a locality approved by the Deputy Commissioner and otherwise conformed to the conditions of the original grant. Of the 12 vrittidars, 2 --

Archa

were considered deserving, and they were given a cash grant of Rs. 72 each in lieu of the restoration of vrittis. As regards the temples which are still functioning and where Puja is being conducted, cash grants in lieu of vrittis have been sanctioned. The Chattram established by the founder has ceased to exist, the building otherwise being disposed of, and the equivalent of the vritti has remained unappropriated.

2. The Muzrai Commissioner now proposes that the G.O. of September 1926 read above may be modified and the villages treated as Devadaya inam so that the income may be available for charitable purposes. He further proposes that the savings amounting to Rs. 35,700/- may be utilised for the marginally noted purposes.

(1) Contribution for the construction of a chattram for accommodation of Non-Brahmins at Tirupathi. Rs.10000

(2) Contribution for the construction of a chattram at Tirumakudlu. Rs.10000

(3) Contribution for the construction of a chattram for the convenience of visitors during Dasara and Birthday festivities at Mysore. Rs.10000

(4) Rs.7,600/-(being the remaining cash balance plus premium on the 6¼% bonds) to be earmarked for the benefit of the endowed temples of Paschimavahini which require funds for urgent repairs and also for increasing the pay of the staff etc. Rs. 7,

3. Government do not think it necessary to re-open the question of the resumption of the 2 villages referred to and continue to treat them as Devadaya inam,

4. As regards the appropriation of the amount at the credit of the charities Government consider that the demands of the institutions established by the founder at Paschima ahini should first be satisfied. The total amount reported to be to the credit of these charities is Rs. 35,700/-. Of this a sum of Rs.3,650 has been lent to Sivaganga Mutt and there is no early prospect of its recovery. Out of the balance, a sum of about Rs. 12,000/- may therefore be reserved for

improving the condition of the temples as ma be decided after due inspection.

There will then be a balance of - - Rs. 20,000/- and Government consider that this may be spent on other charities as - - indicated below:-

Of the balance available to the credit of these Charities Govt are pleased to direct that the following appropriations be made:

(1) Rs. 15,000 ~~being given to~~ may be placed at the disposal of the President, Mysore Municipality, for the construction of the proposed chattram on Chamaraja Road, Mysore, for which M.R.Ry. Lokasevaniratha Amble Anniah Pandit has ~~so generously~~ promised a contribution of Rs. 8,000/-.
